

What is fair trade?

Fair trade creates opportunities for poor producers and guarantees:

- Fair trading practices including a living wage
- Extra income for community development
- Equitable and safe working conditions
- A greater respect for the environment

In addition:

- Traidcraft starts works with new producers to help them achieve Fairtrade status
- Traidcraft invests in training and business development for producers
- Traidcraft commits to working with producers long-term
- Traidcraft develops new fair trade products

The catering account gives you:

- A credit limit of £200
- An invoice for accounting purposes (due for payment within 30 days from date of invoice)
- FREE carriage on all orders over £50 (usually £4.95 p&p)
- Delivery within 5 working days
- Access to easy ordering via the web, telephone or by post.

Returns

Foods and beverages are non-returnable.

In case of a query with your order please contact Customer Services on **0845 330 8901**

Bringing fair trade products to your organisation

Using fair trade products is an easy way to demonstrate sustainability and concern for your ethical impact.

Apply online, receive a call from our recruitment team and then your order will arrive within a week - it's as simple as that.

What our customers say:

"After switching to Traidcraft tea, coffee and sugar, we can't understand why we didn't do it earlier. The products are cost-effective without compromising on quality and it's fantastic to be able to support fair trade through our business."
