

## About Traidcraft

### What we do

Our mission is to fight poverty through trade, practising and promoting approaches to trade that help poor people in developing countries transform their lives.

Established in 1979 as a Christian response to poverty, we combine a trading company and a development charity.

We build lasting relationships with producers, support people to trade out of poverty and work to bring about trade justice.

Traidcraft also produces detailed social accounts which evaluate our impact and include the opinions of key stakeholders. [See the full Social accounts online.](#)

### How we do it

#### [Traidcraft plc](#)

Launched in 1979, Traidcraft's trading company has experienced significant growth in recent years and is now the UK's leading fair trade company.

#### [Traidcraft Exchange](#)

Traidcraft's charity, Traidcraft Exchange, is the UK's only development charity specialising in making trade work for the poor.

The [Traidcraft Foundation](#) holds a guardian share in the plc ensuring all parts of the organisation remain true to our foundation principles.
