Work Experience

Due to our limited resources, we are unable to offer work experience placements, which require significant input to make them as structured and meaningful as possible.

Speculative Applications

We would be interested in hearing from you even if there are no suitable vacancies for you at present. Please send your speculative application to recruitment@traidcraft.co.uk highlighting what area of work you have an interest in and what skills and experience you have to offer.

We will not respond immediately to your email but we will keep your details on file and refer to them over the following 6 month period.
