

Fair trade chocolate and snacks

Our snack range includes cookies, sweets and a selection of cereal bars and healthy fruit snacks for those preferring a more healthy option. For those who like to indulge, we offer a fine range of chocolate and confectionery including many exotic flavourings for the more adventurous.

Geobars

Geobars are the leading brand of fair trade snack bars and were the first Fairtrade composite food product to be produced in the UK.

Geobar uses quality fair trade ingredients from around the world. This means you can enjoy a great-tasting bar while producers in countries like Ghana, Chile, Paraguay, Malawi and South Africa get a fair deal.
