

## House and home

We have a stunning selection of authentic handmade crafts to complement your home and bedroom, with all you need to create a relaxing and restful atmosphere. We also have a collection of eco-friendly recycled options such as recycled tissues and kitchen rolls.

## Housewares

The fair trade crafts sector employs a large proportion of poor people in developing countries. Craft production is labour intensive and employs many women. Most crafts are sold as finished items ensuring that maximum value is added at the producer level.

## Recycled products

Buying Traidcraft recycled products is a great way to care for the world and its people.

Our tissues, kitchen rolls and toilet tissue are made from 100% recycled paper collected within the UK, protecting forests and reducing the amount of paper in landfill sites.

Your purchase will also contribute directly to building up a fund to enable Traidcraft to promote fair trade and provide assistance to fair trade producers.
