

Non-food wholesale

Traidcraft's non-food wholesale business offers bespoke product development across all our product categories.

Currently, we develop products for Marks and Spencer, Oxfam, Natural Collection and many more large retailers and mail order companies.

We use our knowledge, skill and expertise of importing fair trade products from over 100 producer groups across 30 countries in the developing world.

To find out more or discuss the opportunities on Non-Food wholesale, please [contact us](#).
