Other events

- [Fair Trade Feast](#)

If your idea of a good weekend is relaxing with friends with some good food and drink, rather than going for a 10 mile hike or run, this is the event for you.

Our Church Pack has been designed to help you share the story of one of our fair trade producers so that others make the fair trade choice and help support our work.

Why fundraise for us

"I have no idea how I would have managed without working here. Now I have a deposit plan so I am also saving."

What our runners say

"Traidcraft helps improve the daily lives of marginalised people in the developing world and that brings joy to my heart. That's why I'm willing to help Traidcraft achieve their aims through running."
