

Ask your sponsors to Gift Aid it

If your sponsors sign up to Gift Aid they can make their donation worth 28% more – at no extra cost.

If your sponsors are UK taxpayers, paying income tax and/or capital gains tax, they can sign up for Gift Aid.

For example, a £10 donation to Traidcraft Exchange is worth an extra £2.82 making your gifts worth even more to the people we work with in the developing world.

Those extra pounds certainly add up. In 2007-2008 we managed to reclaim £303,057.

Please help us to increase this amount and get more money from the Inland Revenue this year by asking your sponsors to Gift Aid it!
