

Schools fundraising

Use our fundraising resources to help deepen learning of fair trade and encourage children and young people to directly support the fight against poverty.

Trainers for Trainers

Traidcraft trains and supports poor people to run their small businesses better and work their own way out of poverty.

This exciting new resource has been written to help schools partner with us in our work towards tying up poverty.

Plan a non-uniform day into your school calendar and encourage pupils to make a donation to wear their trainers to school for the day. The money you raise will mean that through the work of Traidcraft you could change lives.
