

Church pack

Our new Church Pack has been designed to help you share the story of one of our fair trade producers so that others make the fair trade choice and help support our work.

It includes worship materials, sermon outlines, prayers, reflections, activities for young people, and ideas about how your church can support Traidcraft.

With it there is a DVD telling the Apicoop story and a CD containing a PowerPoint presentation and all the information and display materials you'll need.

To order

The pack is available free of charge. You can order [this resource online from our webstore](#) or by telephone on 0845 330 8900.

Alternatively, you can download some of the resources:
