If your idea of a good weekend is relaxing with friends with some good food and drink, rather than going for a 10 mile hike or run, this is the event for you.

Any old or unwanted jewellery, printer, toner or laser cartridges and mobile phones can be recycled to raise valuable donations for Traidcraft Exchange, whilst protecting the environment at the same time.

What do you do with your loose change? Why not help fight poverty by putting it in a Traidcraft collection box? When it's full, send us your donation. It'll soon add up and will really make a difference.

Our new donation envelopes are the latest edition to our fundraising tools designed with you in mind. You can use them to help you fundraise at events, amongst your congregation or amongst friends and family.
