

How Gifts for Life work

Your gift will help all Traidcraft Exchange's work to fight for a world without poverty, where trade is just and communities can flourish.

It's as easy as 1-2-3

1. Choose and buy your Gift for Life from [our website](#) or call us on 0845 3308900. Please quote G8GFL to make sure your gift comes free from postage.
2. You will receive an attractive gift card to send to your relative or friend telling them about the gift you have bought and explaining what a difference it could make to poor people.
3. Giving and receiving a Gift for Life brings hope and opportunity to poor people across the world. As the giver of a Gift for Life, you are sharing in the belief that trade can make a difference – and you're helping Traidcraft to make that difference happen.

It really doesn't cost much to change a life.
