Some additional ways to help

[➤ Donate your Fair Trader discount](#)

A number of Fair Traders donate a percentage of their discount or surplus to Traidcraft Exchange. You could join them.

[➤ Top-up donations from mail order customers](#)

Traidcraft has around 60,000 mail order customers who buy products from our trading company. Around 15,000 of these customers also top up their order with a donation to Traidcraft Exchange.

[➤ Speaker Network donations](#)

As well as spreading the word, a number of our speakers have also raised some money for Traidcraft Exchange. Over £3,000 of donations were sent to us last year from just over 100 Speakers who had either raised this money at talks they'd given or sent us their expenses as a donation.
