

Raise funds while you search the web

By using everyclick as your standard search engine, you will be helping support Traidcraft Exchange whenever you search.

Everyclick is a search engine which donates 50% of its revenue to charity. The more supporters we have using everyclick, the more funds we will receive.

How your support helps

Traidcraft Exchange is working with FAHA in North Central Vietnam. Many people rely on handicrafts production to earn additional income for their families.

Traidcraft is "training the trainers" so that local business advisors can work with small businesses to help them develop new products and find new markets.

"I am going to be going on the training course. I hope that I will get information about the customers and the demand for the customers in Europe."
