

Host a talk

Why not invite a Traidcraft speaker to do an assembly or take part in a lesson or activity day on Fairtrade? We have a network of over 400 speakers around the country.

To request a speaker

Please fill in the form below. We will then send you details of your nearest speakers and you can contact them directly to arrange the talk. Please note that hosts are expected to pay travel expenses. It is also helpful if you can give as much notice as possible to give speakers a chance to prepare.

When you have sent your form, we will email you to confirm your booking request. If you have not received an acknowledgement email within 24 hours, [please contact us](#).

We aim to respond with details of speakers in your area within 14 days.
