

Take the Snack Attack Challenge

Entering the Snack Attack challenge is a great way to encourage teamwork and enterprise skills in your students, and for them to learn about Fairtrade and have fun at the same time!

Here's what teachers and students said after taking part last year:

'Thank you very much for organising such a fantastic competition! We have really enjoyed completing the work over the past half term...this competition has helped us to learn how Fairtrade products really help people to make their lives better.

Year 9 students at Netherside Hall, Skipton

'Thank you so much for the opportunity provided by the Snack Attack Challenge. My class has got SO much out of it...we had great fun!
