[Producer stories to download](#)

These sheets tell the stories of some of our producers. They can be downloaded and printed.

[A4 Producer images](#)

We have provided a set of A4 images representing a selection of the producers that Traidcraft works with.

[See more resources](#)

We have a wide range.

Speaker community

[Resources from other speakers](#)

We know that our speakers often come up with creative and original ideas - here are some of them that people have generously decided to share.

[Events](#)

Find out about training days and other events especially for speakers.

Helpful information

[Feedback on your talk](#)

If you have given a talk, please take a few moments to fill in this short form. Your feedback helps us to update and improve the resources for our speakers and measure the impact of the speaker network.

[Make contact](#)

If you need to contact us, here's how to get in touch with the Speaker Network Manager.
