

Traidcraft's magazine

Traidcraft produces a magazine three times a year. It contains the latest news and information from our producers.

The Extra Mile: the Magazine, Issue 23, Spring 2012

Skin care company Clarins switches to fair trade, Meet the People Tours collects a Green Travel award, and we round up our highlights from 2011.

The Extra Mile: the Magazine, Issue 22, Autumn 2011

Good news from our training programme in tsunami-hit communities, and two new tea projects get the go ahead – but the global downturn forces the closure of a fair trade pioneer. Our new Board Chair tells us what inspired him to change his life, and we examine the WTO failure that is betraying the poor.
